

Dental Changes at the University of Bristol

On 3rd August, the new Faculty of Health Sciences is replacing the Faculty of Medicine and Dentistry. Dean of the new faculty is no other than our very own Professor Jonathan Sandy. I'm sure for many, Jonathan will need no introduction but for those not to have met him, he was appointed to Bristol University as a Consultant Senior Lecturer ...

Paul King Retires!

There was a huge turnout to mark the retirement of Paul King on June 26th. The occasion was held in the courtyard outside the student bar and was complete with live music and a hog roast. A great occasion! Paul says he has now retired but we note he is due to lecture next month at the 25th Congress of the ...

A major part of our work is to assist fellow members in organising reunions. If anyone is interested then please use the facilities via the contact form under the reunion tab on our website. Bristol has changed enormously in recent years and continues to evolve at a rapid pace. Many past graduates have enjoyed returning to Bristol for a reunion weekend and we can assist with suggestions of venues together with providing tours of BDH on Saturday mornings.

Further New Appointments...

NHS England has announced the appointment of Sara Hurley (nee Skinner) BDS(U. Brist.) MFGDP(UK) MSc(UCL) MA(KCL) as Chief Dental Officer. Sara qualified from the University of Bristol Dental School in 1988. Commissioned into the Royal Army Dental Corps, she has continued to broaden her clinical

dentistry portfolio gaining Membership of General Dental Practitioners (UK) in 2003, a Masters in Dental ...
